2 alongside The Al Mazrah map.

an as anarchist terrorist group formed on the fictional country of Urzikstan; There have been several assassinations of the president and other officials.

Warzone 2 will be available on PlayStation, Xbox, and PC. The game is currently in development and is expected to be released in late 2022. The game will feature a new map, Al Mazrah, and a new character, Al Farah. The game will also feature a new mode, Warzone 2.0, which will be available on Xbox and PC.
