Firstly, let's talk about Garnacho's overall rating, which is 63. While this may not seem particularly high, it's important to remember that he's still a young player with room for growth and development. His potential rating of 84 shows that he has a lot of promise and could become a valuable asset to any team.

It's worth noting that Garnacho is still a young player, and his skills will continue to develop as he gains experience and training. Investing time and resources into his development could pay off, making him a valuable member of any FIFA 22 squad.

In summary, Alejandro Garnacho is a promising young player with a lot of potential in FIFA 22. With his speed, agility, and shooting ability, he can be a solid addition to any team. While he does have some areas for improvement, such as crossing and heading, his overall skills and potential make him an attractive choice for players.

Feel free to ask me any questions you might still have about Garnacho's skills and potential in FIFA 22!
