There can be many reasons why you are not profitable. It could be discipline issues, psychological factors hurting your trading, or simply having no edge in the markets. Without a trading plan, you will never know what is the cause. But when you have a trading plan you follow religiously, there will only be 2 outcomes.

First, pattern day traders must maintain minimum equity of \$25,000 in their margin account on any day that the customer day trades.

This required minimum equity, which can be a combination of cash and eligible securities, must be in your account prior to engaging in any day-trading activities.
