[The La Liga play-offs](#) are an annual series of football matches to determine the final promotion places within Segunda Divisin and La Liga. In its current format, it involves the four teams that finish directly below the automatic promotion places from Segunda Divisin to the top tier.

Each year three teams are promoted to La Liga. The top two teams earn an automatic promotion. The third team to be promoted is the winner of a play-off between the teams that finished 3rd to 6th (reserve teams are not eligible for promotion).
