Our editors have been working since 2013 compiling the rating of games for you, and many of our regular visitors are constantly sending interesting new materials. You always have such an opportunity! Together we are working on the popularity rating of 1001 games and strive to keep it up to date. The sets of game categories are quite diverse, and the plots of many 1001 games are classified into several genres at the same time, so you can always understand what is most popular and in demand right now. Although we firmly believe that Poki games are worth checking out, there are currently a lot more offers from other game developers.
