Some trading bots may generate small but consistent profits, while others may have larger gains but also experience periods of losses. It's difficult to determine an exact amount that trading bots make, as their performance can vary greatly.

Are AI trading bots profitable? - LinkedIn

Profitable trading bots exist, and are profitable because the creator knows the cause and effect. For example, patterns will show that ice is more likely to melt during daytime than nighttime. Deciding if ice will melt requires that you know what temperature it melts at.
