This tends to make Japanese goods and services cheaper for foreign buyers, while imports become more expensive for Japan.</p><p></p><p>Reasons &#128176; Behind a Weak Yen</p><p>The value of the yen is influenced by several elements, such as interest rates, inflation, and economic &#128176; growth. At present, the yen is weak due to the Bank of Japan maintaining a loose monetary policy, unlike most &#128176; main economies that are tightening theirs. This gap in interest rates has led to the yen&#39;s devaluation.</p><p>Effects of a Weak &#128176; Yen</p><p></p>
