Biography [edit]

Schachner grew up in the suburbs of Philadelphia.[2] When she was five, she first started playing piano and then started playing the violin. [3] She kept learning other instruments, such as viola and cello, and played with both family and in an orchestra, as well as a jazz band.

Schachner went to the Berklee College of Music and then moved to Los Angeles.[3] She began to work with composer Brian Tyler, who worked in film and then started writing video game music.[3] Tyler first brought Schachner in to work on Call of Duty: Modern Warfare 3.[3] Schachner said, "I started doing music on the games for him and I realized how much I loved working on games." [3] Since then Schachner has worked on more Call of Duty games such as Infinite Warfare and also worked with Ubisoft on the Far Cry and Assassin's Creed series.[4][5][6] Schachner began to incorporate synthesizers with her work on string instruments.[7]
