Pop It Master is a casual browser-based online game that has taken the world by storm. The game is based on the popular Pop It, Simple Dimple and Squish toys that are loved by many, but still unknown to some, especially the older generation. In Pop It Master you will interact with Pop It.

The game concept is simple and mimics the real-life experience of playing with a Pop It toy. You will encounter Pop-its in different shapes and your task is to click on them all. Once you've popped them all, you'll advance to the next level, where a new Pop It with an even more intriguing shape awaits. Pop It Master is a stress-relieving game. So whether you're tired from school or work, take a break and relax with Pop It Master. This new form of entertainment is worth trying, so we encourage you to stay tuned and give Pop It Master a try!
