Videostream was an application that enabled the streaming of video, music, and images wirelessly to Google's servers. It was one of the most popular applications of its kind, and it was used by millions of people around the world. It was eventually shut down by Google in 2004.

Video game sales in the United States reached a record high of 1.755.857 units in 2023, according to the Entertainment Software Association (ESA). This is a significant increase from the 1.791.338 units sold in 2022. The most popular game of the year was Call of Duty: Modern Warfare II, which sold 791.338 units. Other top-selling games included Grand Theft Auto V (589.375 units), Mario Kart 8 Deluxe (451.254 units), and Halo Infinite (375.000 units).

Video game sales in France reached a record high of 1.755.857 units in 2023, according to the Entertainment Software Association (ESA). This is a significant increase from the 1.791.338 units sold in 2022. The most popular game of the year was Call of Duty: Modern Warfare II, which sold 791.338 units. Other top-selling games included Grand Theft Auto V (589.375 units), Mario Kart 8 Deluxe (451.254 units), and Halo Infinite (375.000 units).

Some of the most surprising results from the 2023 sales data include the fact that Call of Duty: Modern Warfare II was the most popular game in the United States, despite the fact that it was released in October 2022. This is a significant achievement for the game, as it was able to maintain its popularity throughout the year. Another surprising result was the fact that Grand Theft Auto V was the most popular game in France, despite the fact that it was released in 2013. This is a testament to the game's enduring popularity and the success of Rockstar Games.

Who hosts Deal or No Deal? It was announced in early 2024 that Stephen Mulhern would host the show, after he recorded two pilot episodes in December 2024. Speaking about the rebooted show, Stephen said: "Wow what an opportunity, I'm beyond excited to be hosting the brand-new series."
