<p></p>Football corners predictions is one of the fairly ne

w tips offered by tipsters and by us. Some say it's luck 6 , £ predicting cor

ners in a football game, but we at AFootballReport find in corners very profitab

le markets especially in live events 6 , £ when odds go very high as the game evo

lves.So how do we predict corners? Of course as any other football 6 , £ predicti

on and corners are related to a number of pre-match and team factors. First of a

ll we should see the 6 , £ type of game we're looking for or the type of game

we want to predict. Is it a game with 6 , £ a strong favorite or just two equall

y strengthen teams that play. If it's a game with a strong favorite probably

6 , £ we should pay attention to the corners race predictions as strong favorite

s always keep the ball in possession more than 6 , £ the other teams and create m

ore chances as they push forward almost during the whole game. Keep in mind in 6

, £ live events that if the score is in favor of the favorite team then this tea

m would not be so 6 , £ motivated to create chances and would probably win less c

orners than in a draw event or from behind.</p>

<p>Second thing we 6 , £ should use when making our corners tips is to see

the teams lineups and tactic for the upcoming game. Target 6 , £ teams with more

offensive tactics and teams that use wingers heavily in their attacks. For exam

ple, some good wingers for 6 , £ the home team could easily produce more than 10-

20 crosses in the penalty area which very often defenders clear in 6 , £ corners.

</p>

<p>Corners in the late stage of the game are more likely to happen than in

the early minutes. Usually teams 6 , £ are very careful in the opening minutes o

f a football game and they try to enter the game more passively 6 , £ than aggres

sively. As the game continues depending on whether a team is losing or winning t

he game is leading to 6 , £ pushing forward and sending more players to attack or

defend. This leads to significantly increasing the number of corners in 6 , £ th

e last minutes and that is what we want when predicting corners.</p>

<p>Spot derby games. Derby games are always poor in 6 , £ goals, but very r
