[Drawasaurus](#) is a free, online drawing & guessing game similar to Pictionary that can be played on any browser. Play with strangers from around the world or join a private room to play with friends.

[Exquisite Corpse](#) was a game invented by the Surrealists: Participants play by taking turns drawing sections of a body on a sheet of paper, folded to hide each individual contribution. The first player adds a head then, without knowing what that head looks like, the next artist adds a torso, and so on.
