In this game, players &#128182; control a stick figure character who must navigate through various levels filled with obstacles and enemies. The goal of the &#128182; game is to reach the end of each level while avoiding obstacles, collecting coins, and overcoming enemies. The game features &#128182; challenging physics-based gameplay and requires quick reflexes and strategic thinking.</p><p>Vex 4 features over 50 levels that increase in difficulty as &#128182; the player progresses through the game. The levels are designed with a variety of obstacles, including moving platforms, spikes, and &#128182; dangerous liquids. The stick figure character has a number of moves, such as running, jumping, sliding, and wall-jumping, that players &#128182; must use to successfully navigate the levels. In addition to the platforming elements, the game also includes puzzle-solving elements, where &#128182; players must figure out how to reach
