lism relating to sexuality and purities, of The mark On her forehead signifies her state After being bitten by Dracula's eye, stare in horror and fear at Dracula's movement scared the beansing outs of Harke cause him to drop The shovel  
Cianica's forehead leaving a mark  
An operating system (OS) is the program that, after being initially loaded into the computer by a boot program, manages all of the other application programs in a computer. The application programs make use of the operating system by making requests for services through a defined application program interface (API).
