Join the ultimate mining adventure in our Minecraft games! Our highly addictive collection includes a variety of supplemental titles. In the Skin Creator, players can make their own designs for use in the award-winning sandbox world. There are tons of pre-made parts available for quick combinations. Creative gamers will enjoy designing head and body parts from scratch. In Minecraft TD, players must protect their tower from frightening monsters. Mine for resources, build turrets, and fling weapons at zombies and skeletons to survive! Take the indie craze to a whole new level with fiery ammo and stunning surprises!

Our collection also lets you engage in unique challenges that are not available in the original Minecraft games. Take control of a green Creeper, and try to reach the diamond without dying. The 2D adventure features retro stone blocks and deadly lava for danger at every turn. Or, test your shooting skills in a craft-whacking challenge! 3D floating tiles will pop out of holes randomly. Break each one into tiny pieces to acquire resources and create more powerful weapons. Have fun in the Minecraft world like never before!
