We will proceed by explaining what you do in it, after which you are bound to have no stress at all about playing it. Well, you are going to be able to be a running man, a bike bandit, or a mustang mayhem. You are going to use the up arrow key to go, and the space bar to jump, do a wheelie, or activate nitro, depending on the situation. Try to do all of the stunts required from you in each level in order to pass it. You get extra points if you break stuff, break bones, hit targets, or go airborne. Good luck to you, as you will need it, and we won't wish you fun, since we already know that you are going to have it nonetheless!
