He is a former member of the Greek Football Federation and has served as a
director of the federation. He is also a former member of the Greek Olympic
Committee and has served as a member of the committee since 2010.

Paranormal horror is closely related to the demonic subgenre in that it
focuses on characters who aren't living beings. Spirits and ghosts spook
viewers and create fear without a physical presence on screen. For example,
furniture moves without anyone touching it or a chill passes through the air
out of nowhere.
