Of the world's estimated 2,640 billionaires, at least 562 are thought to be in China, according to Forbes, down from 607 last year. With crackdowns on financiers and a roiling political climate,

many of China's rich people are looking to move their money, and themselves, out of the country.

China's

billionaires looking to move their cash, and themselves, out

of the country, according to the Guardian. The world's octillionaires in China

are looking to move their cash and themselves out of the country.
